## Killer Blues Auction! All Original & All Collectible! Pre-War & Post War Blues 78's / 1950's Blues 45's

### Attention Blues Fans!

It's that time again! Here comes a **fabulous auction** of Killer Blues 78's and 45's! The stuff that dreams are made of!

This time, we have a **great mix** of super rarities and classics — something for every Blues collector at every level of collecting!

The **Pre-War section** is bigger than ever before, boasting a Charley Patton and a rare Mississippi John Hurt (just to name a couple) — along with a decent run of more “common” Blues 78's and some bargain copies too!

The **Post War 78's selection** features a nice Baby Face Leroy Parkway

(one of the TOP Post War rarities of all time!) and a Tempo Tone by Sunnyland Slim, along with many classics!

The **45's section** includes a Big Boy Spires Chance in RED vinyl and TWO colored vinyl Aladdins 45's.

Blues 78's and 45's are still the **hottest record collectibles** out there and prices are hitting new levels all the time. Did you see the two Pattons that just sold for over \$20,000?! These records are vanishing from the marketplace and into private collections at a record pace!

Good luck to all!

John Tefteller
