AUCTION  
# 1

World Class  
Collection!

Auction closes Tuesday, April 25, 2023 at 7:00 p.m. PT

### The Pete Whelan World Class Collection of Pre-War Blues 78's! (Auction #1)

Pete Whelan was a friend of mine for over twenty years. He started collecting records in 1946 and was the founder of the *Origin Jazz Library* label in 1960 and of *78 Quarterly* in 1967—THE magazine for 78 collectors for 35 years!

Pete passed away in January at the age of 93. Last year, he offered to sell me his **World Class collection of Jazz and Blues 78's**. He stated his price, which would be the most I ever paid for a record collection, but I didn't hesitate to say YES!

It will take a few years and multiple auctions to find new homes for all of Mr. Whelan's records. Some of these gems are staying here, enhancing my already fantastic collection, but some of them are duplicates and/or records I'm not interested in.

Prices for World Class Blues 78's have been climbing steadily for the past 40+ years and recently have been rising VERY dramatically! This is your chance to obtain some legendary records from one of the world's BEST, and most IMPORTANT, collections

before their prices shoot up even higher! So bid competitively if you want to win and use my call back system for "must-have" items!

The Jazz records will be sold separately from the Blues collection. Please let me know if you want to receive the Jazz auction ads.

Thank you and  
GOOD LUCK to all!
